

Felony Definitions

- **Input Date:** This is the date the record was typed into Record Information Services' database. Not to be confused with the date of transaction, or date of record.
- **Offense Date:** The date the actual offense took place.
- **Case Number:** The number that references the case.
- **Police Department:** The police department that made the arrest.
- **Telephone:** Usually available on around 40% of records. Scrubbed against the "Do-Not-Call List" bi-monthly.
- **Do Not Call:** If there is a phone number on the record, and the individual is on the Do Not Call List, then you will see a Y here for Yes.
- **DNC Date:** DNC is the National Do Not Call List. This is the date this phone number was last scrubbed against the Do-Not-Call List. We scrub our records twice monthly. You will only see a date here if there is a phone number on the record.
- **Appearance Date:** The date, if any, that the offender is scheduled to appear in court.
- **Crime:** The crime the offender is accused of committing. Does not mean that the offender has been convicted of this crime.
- **Race:** This is subjective in nature – does not appear on the actual record.
- **District:** This only affects Cook County.
- **Census Age and Income:** When selecting an income range, those numbers will reflect a median household income, not an average of the census tract area. The median age is identified by using the census block as a benchmark which does reflect a more accurate picture of a geographic area.
